MS Bands of Hope

"HOPE MS"

Show your dedication to the cause and wear your hope for a cure for MS on your wrist! The **MS Band of Hope** red bracelet will create awareness and support of the cause wherever you go.

Canada is a major leader in MS research. The world's largest study of MS genetic susceptibility has over 21,000 Canadians enrolled and is made possible through MS Society of Canada fund raising. You can support this and other [research studies](#) by buying your MS Band of Hope today!

MS Bands of Hope are currently available for a *minimum donation of \$2 each at Imperial Smelting and Refining*. Note that tax receipts will not be issued for Bands of Hope purchases.
