REFINING STANDARD TERMS AND CONDITIONS

THIS CONSTITUTES THE STANDARD TERMS AND CONDITIONS BY WHICH IMPERIAL SMELTING & REFINING CO. OF CANADA LTD. (“REFINER”) PERFORMS SERVICES TO ITS CUSTOMER. NO AMENDMENTS OR ADDITIONS SHALL BE BINDING ON THE REFINER UNLESS AGREED TO IN WRITING BY AN AUTHORIZED REPRESENTATIVE OF THE REFINER. IN ADDITION THE REFINER IS NOT BOUND BY ANY TERMS AND CONDITIONS OF THE CUSTOMER’S PURCHASE ORDERS OR ANY OTHER FORMS WHERE THEY ARE AT VARIANCE WITH THE TERMS AND CONDITIONS CONTAINED HEREIN.

1. **General.** The terms and conditions set forth below shall constitute the sole, complete and exclusive agreement between REFINER and CUSTOMER and shall not be modified or waived, except by written agreement by an authorized representative of the Seller. All other terms, conditions, warranties, acceptances or other communications between REFINER and CUSTOMER are considered null and void to the extent they conflict with the terms and conditions set forth herein.
2. **Packing.** The Customer shall not deliver material that is deleterious, carcinogenic, hazardous or toxic. All cost and liabilities arising out of the delivery of deleterious, carcinogenic, hazardous or toxic material shall be the responsibility of the Customer.
3. **Warranty.** The Customer warrants that it is the sole legal beneficial owner of the material free from all liens, charges and encumbrances or other adverse rights or interests whatsoever and shall hold Refiner harmless from any and all suits, judgments or damages based upon a claim by third parties to the contrary.
4. **Delivery.** Refiner will make every effort possible to meet the settlement date, however, such date is an estimate only and in no circumstances shall the Refiner be liable for any loss of value, direct, indirect or consequential, sustained by the customer through market fluctuations or any other cause whatsoever arising out of late settlement of metal by Refiner.
5. **Limitation of Liability.** IN NO EVENT SHALL REFINER BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES (WHETHER ARISING IN WARRANTY, CONTRACT, NEGLIGENCE, STRICT LIABILITY, ABSOLUTE LIABILITY, ACTUAL OR IMPUTED TORT, PATENT INFRINGEMENT OR OTHERWISE) including, but not limited to, loss of profits or revenue, loss of use of the item(s) delivered, loss of use of fine metal or cash/cheque (monies) received, cost of capital, or claims of clients of the Customer for such other damages, whether on account of any nonconformance or defect in any items furnished hereunder or delays in delivery thereof or services performed thereon or any other nonconformance by Refiner. Refiner’s liability on any claim, whether in contract, negligence, actual or imputed, strict liability, absolute liability, tort or otherwise for any loss or damage arising out of, connected with, or resulting from this contract or the performance or breach thereof, or from the design, manufacture, sale, delivery, resale, repair, replacement, installation, inspection, operation or use of any items covered by or furnished under this contract shall in no case exceed the aggregate refining charges actually paid by the Customer to the Refiner in regard to the material or metals which give rise to this claim.
6. **Force Majeure.** The Refiner is not liable for loss from causes beyond its reasonable control. This includes actions by any provincial, federal, state or local government or any department or agency thereof; acts of God, natural disasters, fires, strikes, lockouts, embargoes, wars, riots, equipment failure, shortages in materials, transportation, utilities and other vital supplies. In the event of a delay due to these reasons, the date of delivery may be extended by a similar amount of time that is reasonable to compensate for the delay.
7. **Applicable Law.** The construction and performance of this contract shall be governed and interpreted by the laws of the province of Ontario and any and all disputes arising hereunder shall be brought to Markham, Ontario.
